Land Economics

Applied Research on Environmental Resources

Editor: Dan Phaneuf

ISSN: 0023-7639, e-ISSN: 1543-8325

Published four times per year

Land Economics is devoted to the study of economic aspects of the entire spectrum of natural and environmental resources, emphasizing conceptual and/or empirical work with direct relevance for public policy. Founded in 1925 as the Journal of Land and Public Utility Economics, the emphasis remains with articles that address the determinants and consequences of economic activity on the value and use of land, or the contribution of natural and environmental resources to economic activity.
