How Do Immigration Enforcement Laws and Actions Affect Children in the Classroom?

Using sensitive data, in new work published in the *Journal of Human Resources*, Benjamin Meadows examined how documented immigrants versus undocumented immigrants respond to immigration enforcement events—specifically the actions taken by Immigration and Customs Enforcement (ICE), the passage of a state immigration law, and the subsequent legal challenges to this immigration law.

Land Economics

Applied Research on Environmental Resources

Editor: Daniel J. Phaneuf
ISSN: 0023-7639, e-ISSN: 1543-8325

Land Economics publishes papers related to the economics of natural and environmental resources, emphasizing conceptual and/or empirical work with direct relevance for public policy. Founded in 1925 as the *Journal of Land and Public Utility Economics*, the publication features research related to environmental quality, natural resources, housing, urban and rural land use, transportation, and other areas in both developed and developing country contexts.
